Cogitore Resources Inc. Announces Private Placement Financing

TORONTO, March 29 /CNW/ - Cogitore Resources Inc. (the "Company") (WOO, TSX-V) is pleased to announce that it expects to raise up to \$2.525 million by way of a partially brokered, partially non-brokered private placement of Flow-Through Units and Units, subject to regulatory approval. Up to \$2 million of the placement will be raised through the issuance of Flow-Through Units, and up to \$525,000 will be raised through the issuance of Units. The Flow-Through Units will be priced at \$0.80 and the Units will be priced at \$0.70. Each Flow-Through Unit will consist of one Flow-Through Common Share and one half Common Share Purchase Warrant. Each whole Common Share Purchase Warrant that is part of the Flow-Through Unit will entitle the holder to purchase one additional Common Share at a price of \$1.05 for a period of two years after the closing of the private placement. Each Unit will consist of one Common Share and one half Common Share Purchase Warrant. Each whole Common Share Purchase Warrant that is part of the Unit will entitle the holder to purchase one additional Common Share at a price of \$0.90 for a period of two years after the closing of the private placement. The sale of \$1 million of the Flow-Through Units will be brokered by Northern Securities Inc. Northern Securities Inc. will receive a 6% commission and Broker Warrants equal to 10% of the number of Flow-Through Units sold pursuant to its portion of the private placement. The Broker Warrants will be exercisable into Units at the issue price at any time prior to the date that is 24 months from the closing date of the private placement, and the exercise price of the whole Common Share Purchase Warrant will be \$1.05. The remainder of the financing will be non-brokered. Although the remainder of the placement is proposed to be non-brokered, the Company will protect offers received from registered investment dealers when accepted by the Company and in such case the Company will pay a cash commission of 6% of the purchase price of such Units and Flow-Through Units. The Common Shares issued at closing and issued upon the exercise of the Common Share Purchase Warrants will have a hold period of four months from the closing date of the private placement. Closing is expected to occur on or about April 17, 2007.

The proceeds of the flow through portion of the financing will be used to fund the Company's 2007 exploration program, while the non-flow through portion of the financing will be used to fund the 2007 exploration program and for general corporate purposes.

The Company focuses on base metal exploration in accessible areas of Quebec, Ontario, and Newfoundland.
